Dear Mr. Dennings,

We the Secord Township Board members, as a new board were informed that the website we were using was a free site and you were doing the maintenance as a courtesy. I am a new clerk, but I was the deputy clerk for six years previously and I have never received a bill for your services. I am also unable to find a contract and I would think if there was one we would have made monthly or at least yearly payments. Based on the lack of a contract, we will not be reimbursing you per the bill we received.

We have a new website, so you will no longer be receiving updates, but we do want to let you know how much we appreciate all the work you have put into maintaining our present site.

Sincerely,  
Maria Alward, Secord Clerk
